

## CONVERGENCE IN PRINT

## India's Most Valuable Printing Exhibition!

## THERE IS MORE LIFE TO 'CONVERGENCE'!

PAMEX 2024, the most valuable printing exhibition, will continue on the story of 'Convergence in Print', with innovations from Print, Labels, Flexible Packaging, Corrugation, Textile Printing & Signage on display.

### General Information:

#### Exhibition Dates:

06, 07, 08, 09 February 2024

#### Timings:

06, 07, 08 February : 10 am - 6 pm

09 February : 10 am - 4 pm

#### Show Venue:

Halls 1 & 2

Bombay Exhibition Centre, Goregaon, Mumbai.

**To avoid long queue of on-venue visitor registration, pre-register at-**

**<https://www.pamex.in/visitors/>**

#### How To Reach The Venue

The complete address of venue is: Bombay Exhibition Center, NESCO Complex, Off Western Express Highway, Opposite Mahananda Dairy, Goregaon East, Mumbai.

#### By Road:

Bombay Exhibition Center is situated along the Western Express Highway in Goregaon East & is easily accessible by autos & cabs.

#### By Local Train:

The nearest local railway station is Ram Mandir Road and Goregaon Railway Station, both of which come under Western Suburban Line.

**By Metro:** The nearest metro station is Goregaon East station, on line 7A (Red Line). The venue is a 5-minute walk from the metro station.

**FREE** Entry For Business Visitors

#### Important:

Open for Business Visitors

Visiting card required for Onsite Registration.

**Children below 16 not allowed.**

#### Plan Your Stay @ Mumbai:

PAMEX has tied up with several hotels in the vicinity and as a pre-registered visitor you can get special tariff on the rates. Details are available on PAMEX website at [www.pamex.in/travel-stay](http://www.pamex.in/travel-stay).

# LIVE DEMOS

- **3S Graphic Solutions** will display Digital Spot UV Machine with Auto Camera Registration for 100% accuracy in Commercial Jobs, Foiling Machine & UV Printer for Cylindrical Surfaces like Metal & Plastic Water Bottles, Cone Shape Coffee Mugs.
- **AB Printpack Machineryes** will offer Holographic Printing Solutions and Lab Coater for HotMelt Adhesive Coating.
- **Accurate Engineers** will be displaying 4 Shaft Automatic Slicer Machine.
- **Acme Machinery India Private Limited** will exhibit Automatic Carton Folder Gluer with all modules exclusively for Mono Cartons & Corrugated Cartons.
- **Advanced Specialty Papers** will be offer various grades of Synthetic and Specialty Papers for Offset, Flexo and Digital Presses in both Roll & Sheet Forms.
- **Alliance Printech Private Limited** will introduce the Novasmart - Multi substrate Flexo label press and ACER - label inspection Slitter Rewinder.
- **Allwin Technologies Company** will display latest model Sheet Cutting Machine (sca3+ servo) with Camera Model, Laser Engraving Machine and UV Flatbed Series Machines, majorly focusing Digital Industry.
- **Ample Graphics Private Limited** will display Fully Automatic Lamination Machine, Fully Automatic High-Speed Rigid Box Machine and Paper Carton Erecting Machine for Food Packaging.
- **Apex International** will offer anilox - metering rolls and sleeves under the label segment of the Show.
- **Arofine Polymers Private Limited** will present Specialty Adhesives, Coatings & Lamination Emulsions for Printing & Packaging Industry.
- **Arrow Digital Private Limited** - Arrowjet will feature all advanced product lineup, featuring state-of-the-art Digital label printers and finishers, fuelled by Memjet DuraFlex technology to deliver unparalleled precision and speed.
- **Artize Die Makers** will display Flat Dies, Rotary Dies, Hot foiling Blocks, Embossing Blocks and Stripping Tools.
- **Ashok Punch Arts Private Limited Company** will be displaying Flat Die, Stripping Tools, Steel Counter Plate, Pertinex, Pre-Rubber Die and various other products.
- **Ashwin Enterprises** will showcase Digital Post press Finishing Solutions and will also launch the all new Vulcan's (Sweden technology) New Autofeed Flatbed Cutter idle for Digital, Offset, Packaging short and medium run jobs.
- **Astra Chemtech Private Limited** will feature a wide range of Adhesives, Inks & Coatings.
- **Aum Label Machineryes** will display, 5 Colour Tower Flexo Printing Machine with all UV system & High Speed Flatbed Punching Machine.
- **Avtar Mechanical Works** will promote Automatic Paper Bag Making Machines.
- **Baba Products** will offer UV Coating Machines under the label segment.
- **Baumer India** will be display complete Gluing & Quality Assurance Solutions for the Folding Carton Industry.
- **Bhogle Engineering Works** will offer Thermal Lamination and Packaging Segment Machines.
- **Bindwel** will showcase the SigLoch range of offerings for the Digital Post Press Applications.
- **Canon India Private Limited** will display Professional Printing Products.
- **Chandan Paper Corporation** will present PET and BOPP Thermal Lamination Films.
- **ColorJet** will be showcasing wide range of high speed, special effects UV LED Roland Printers
- **Condot Systems Private Limited** will feature Global Solution for Variable Data Printing with Authentication.
- **D N Excellence Private Limited (OPC)** will offer Raw Material supplies of Self Adhesive Label Stock, Tapes & Dome Chemical for Dome label.
- **Delta E** will showcase Cip3/Cip4 Inkzone Presetting & Closed Loop, Pdf2 PDF & Scan Print Inspection (Tec4Check), Techkon & Colibri.
- **Dheemant Engineering Works** will present Hi-Speed Carbon Folder Gluer Machine for improved Productivity, Consistency and Reliability.
- **Digital Print Solutions** will offer BLUE Digital Duplicators with after sales support in India.
- **Dotsmark Systems India Limited** will display CIJ, TJJ, TJO Laser printers and offer wide selection of Marking and Coding Equipment (HITACHI, SAVEMA & MARK-1).
- **Edale Limited** will be offering its versatile fully servo-driven label press.
- **Elitech Engineers Private Limited** will display Plasma & Corona Treaters.
- **Epson** will display Inkjet Printers and Fabric Printers.
- **Esko Graphics India Private Limited** will feature software solutions for the label converting industry in terms of streamlining processes, optimizing resource allocation, and leveraging automation tools.
- **Excel Machinery Gujarat Private Limited** will showcase "MAXIMA" Automatic Die Cutting Machine & Automatic Blanking Machine.
- **Expo Industrial Engineering Private Limited** will feature Single Bed Screen Printing Machine, Foil Stamping Machine and Double Bed Foil Stamping Machine.
- **E-zone Trading** will present Spare Parts for Printing Industries.
- **Fair Deal Engineers** will display Single Pass Digital Printer, Non-woven Bag and Paper Bag Machinery.
- **Flexo Image Graphics Private Limited** will promote its flexo press and several other machines.
- **Friends Engineering Company** will display Printing, Packaging and Binding Machinery.
- **Friends Engineering Exports** will display Heavy Duty Platen Punching, Creasing Machine with Hot Foil Stamping Machine.
- **Fujifilm India Limited** will showcase Apeospro for Photo, delivering premium Photo Printing Solutions for every need.
- **Gayathri Machinery** will display CPC XPro Machine - a remarkable innovation from Multigraf at the Show.
- **Grace Fine Paper** will showcase Paper and Boards.
- **Green 5 Printing** will present unique Digital / Solid Color Tyvek Paper Wristband, RFID / NFC Tags / NFC Card and RFID Readers.
- **Hariram Engineering Company** will display 3D Foil (SCODIX Types) Transfer Machines.
- **Harpreet Graphics** will display ID Cards, Digital Lanyards and COLD Lamination Machines.
- **Heidelberg India** will showcase the offerings of Heidelberg and Gallus Solutions, encompassing Prinect, Service, and Consumables solutions.
- **Hi-Tech Engineers (India)** will present Heidelberg Offset Machines Spare Parts
- **Honesty Subscription Agency** will feature Pantone Color Shade Cards.
- **Hubergroup India Private Limited** will showcase its Low Migration Low Odour MGA Printing Ink Series for Safe Food Packaging.
- **Intergraph Sales & Services Private Limited** will promote Weigang

- and Pulisi Label Printing Press at the Show.
- **Jandu Engineering Works** will offer Label Printing Machines.
- **Jay Raj Fine Paper Company** will offer Fine Papers and imported Woodfree, Coated Papers, Uncoated Boards and High BF Kraft Papers.
- **Jindal Offset India Private Limited** will display Digital Label Cutters, Thermal Laminators, Paper Cutters and Perfect Binders.
- **K Recycling** will offer Sublimation Paper, Carry Bag Paper, Thermal Rolls, Duplex Board & all types of other Packaging Grades
- **Kangaroo Impex** will offer Solution for all Offset Requirements.
- **KMI Business Solutions** will display Konica Minolta Digital Production Printers.
- **Kodak India Private Limited** will promote eco-friendly Offset Prepress Solutions and breakthrough Inkjet Solutions.
- **Kongsberg Precision Cutting Systems** will present Robust and Reliable Digital Cutting Solutions.
- **Konica Minolta Business Solutions India Private Limited** will offer Print Opportunities for Digital Transformation.
- **Krriyan Kontainers Private Limited** will present Holographic Films with an option of Registered Metallised Window and 100% Recyclable Holographic and Metallised Boards for Packaging Material Converters.
- **Lakshmi Corporation** will offer Films, Adhesives, Inks and Coatings.
- **Laasya Priya Traders** will feature Post-press & Digital Finishing Equipment, Roll to Roll Spot UV with Foiling, Corrugated Single Facer with Stitching, Auto Folder Glue and Digital Corrugated Printing.
- **Line O Matic Graphic Industries** will display Stationery, Converting, Packaging and Printing Segment Machineryes.
- **Linksmart Technologies** will be displaying Non-cloneable products.
- **Mahavir Stores** will feature Offset Printing Machine Equipment (Heidelberg, Komori), Folding (Stahl), Cutting Machines (Polar, seypa) spareparts including electrical, mechanical, pneumatic accessories from
- **Majestic Graphics & Machinery Private Limited** will offer imported Offset Printing Machines and Allied Equipments, like Heidelberg, Komori, Ryobi, Polar.
- **Mario Industries Private Limited** will be displaying Hotmelt Adhesives for various applications, Double Sided Tissue Tapes for Photo Album Industry, Hotmelt Glue Sticks & Glue Guns.
- **Minosha India Limited** will showcase Production Printers, Laser Printers, Multi-function Printers & Wide Format.
- **Mistry Folding** will offer Automatic Leaflet Folding Machine & Automatic Creasing Machine.
- **Mital International** will offer Profitable Automation Solutions.
- **Monotech Systems Limited** will unveil a broad spectrum of Innovative Digital Printing & Enhancement Solutions tailored for Commercial, Offset, Digital, Label, Photo Printing, and Packaging Segments.
- **Multi Hitech Inc** will showcase Magnetic & Print Rollers for Label Printing Machines
- **Nanda Infotech** will display UV DTF Printer with Spot Foil & UV Flatbed Printer
- **NBG Printographic Machinery Company Private Limited** will display a comprehensive portfolio for Label Solutions encompassing Printing, Finishing, Inspection and Converting.
- **Neeldhara Transfers** will promote its all exclusive SWEDEN imports including KOMORI LITHRON 440, Age 2000, Fully Loaded with 40 Million Impressions.
- **Newstech India Private Limited**, the official exclusive distributor of Marcello Strada Srl will present printing technologies.
- **Nexgen Global Machine Tools** will offer Corrugated Board / Box Making Machine end to end solutions.
- **Nippon Colour** will offer Offset & Flexo CTP Machines, Plate Processors, CTP Plates, Digital Book Printing Machines, Digital Embellishment Solutions and Digital Label Printing & Finishing Systems and will also display Digital Label Finisher.
- **Orient Printing & Packaging** will display Folder Gluer, Digital Inkjet & Flexo Machine.
- **Orion Machinery Co., Limited** will offer Japan's Dry Vacuum Pumps Inverter Series & Standard Series Vaneless Pumps.
- **Pal Associates** will display Corrugated Box Printing Machine, Digital UV DTF Machine & Eco Solvent Machine.
- **Pangraphics Machinery** will display used Offset, Packaging and Binding Machinery.
- **Paper and Label Converting Technologies** will offer Label & Foil Converting and Printing Machines.
- **Pezasy** will offer ERP Solutions for Labels, Flexible Packaging, Mono Cartons and Commercial Printing.
- **Photokina Chemical** will display all new SBQ Range of Emulsions/Chemicals for Computer To Screen Applications, Thick Emulsions/Films for Heavy Ink Deposits like UV Ink and Varnishes, Plastisol Inks, Two Components Inks.
- **Pramod Graphics Instruments Private Limited** will be displaying UV Conveyor, Led UV Curing Water Cooled UV Systems, Anilox Coater, Thermal Lamination Machine and UV Lamps.
- **Pratham Technologies** will display "Superfold" Outsert Folding Machine with Standard Accessories.
- **Precision Machines and Automation** will showcase Innovative Illumination PMA0750 UV LED Solution.
- **Printech Machineryes** will showcase Stickers Half Cutting, Creasing, Perforation, Rigid Box Packing Machines, Flat bed die cutting Machines, Gluing Machines, VDP & Numbering Machines.
- **Rajshree Printing Machinery** will display UV Curing & Coating Machines and Screen-Printing Machines.
- **Rajshree Printing Machinery** will display UV Curing and Coating Machines.
- **Ratan Industrial Engineers** will display Sticker Half Square Cutting Machine.
- **Rational Business Corporation** will offer an array of Labels.
- **Riso India** will present 'Riso Valeuz' - which brings New Dimensions to High Volume Color POD Printing.
- **RK Label Printing Machinery Private Limited** will showcase its Latest High Performance Full Servo Flexo Printing Machine, Rotary Punching & Slitting Machine.
- **Rollexe Engineers** will offer a Complete Solution for Core Holding Equipment.
- **S Kumar Multi Products** will feature Label Converting and Printing Machinery.
- **Sai Engineering & Siv Enterprises** will display Single Sheet Leadedge.
- **Sai Enterprises** will present HPM Fully Automatic Paper Cutter size 45" and promote all Post Press Machinery.
- **Sandilyam Automation** will present Code Quality VERIFIERS for Analysis & Reporting as per GS1 and ISO/IEC Global Standards.
- **Sapna Label House** will offer a wide variety of Labels.
- **Saspack Ventures Private Limited** will offer Lotus Board, Rigid Boxes, Le Base.
- **Shree Balaji Packtech** will present its all latest and value for money Solutions in End-Of-line Packaging.

- **Shreeji Corporation** will showcase Finishing Equipment under Brand Finitura - Finishing Beyond Imagination.
- **Shri Ganesh Adhesive Private Limited** will present Post Printing and Packaging Adhesives.
- **Sia Polyfilms** will be displaying Regular and Specialty Lamination Films, UV Inks & Varnishes (Toyo Arets)
- **Silicon Infotech** will display Large Format UV Printing with foiling along with the Mimaki range of UV Printers.
- **SK Ensure Machinery Private Limited** will showcase Screen Printing, UV Coating & Curing Machines, Pad Printing Machines and Offset Printing Machines.
- **Sunrise Impex** will offer Spare Parts for Heidelberg, Komori, Ryobi, Shinohara, Roland Offset Printing Machines.
- **Suresh Indu Laser (SIL)** will showcase Laser Engraving & Cutting Machine, Laser Marking Machine a reliable solution for Cutting & Engraving Applications.
- **Tech Chaska Private Limited** will offer UV/IR Lamps used in Print Industry.
- **The Paper Boutique by Shree Nakoda Cards** will offer Digital Printing Papers, Metallic Papers, Fabric Backed Papers and Non-woven Fabrics.
- **The Stark Printers LLP** will offer Visiting Cards, Letterheads, Envelopes, Flyers and Offset Printing Services.
- **TRC Exports Private Limited** will display Printing Rollers.
- **Unick Industries** will present Non - Woven Bag Making & Printing Machines.
- **Unison Machinery Private Limited** will showcase Rigid Box Making Machines.
- **UV Graphics Technologies Private Limited** will display Flexo Printing, UV Coating & Curing Machines, Digital Label Converting and Finishing Machines.
- **VDR Tech International** will display Plasma Surface Treatment Machine, improving Adhesion for Excellent Printing, Bonding & Coating.
- **V-Vab Vision Technologies Private Limited** will showcase Conveyors with Robot for Hard Case Making and Conveyor with Inkjet for Variable Data Printing with Inspection
- **Vinsak India Private Limited** will display Label Printing for Short-run Flexible Packaging and Security Printing Industry
- **Vprint Graphics** will offer Printing & Packaging Designs Data.
- **Webtech International Machineryes** will unveil its latest LABELTECH X2 SERIES Flexographic Printing Machine.
- **Xerox** will be revitalizing the printing ecosystem with a wave of vibrant colours on its range of Colour Production Presses, starting with Entry Production Primelink with 11 colour options along with the Mid Production Versant280 and moving up to the Xerox Flagship Iridesse 10 Colour Production Press with an ability to Print six colours in a single run powered by the ever dependent EFI Fiery and a bouquet of Xerox Softwares.
- **Yes Bank** will offer Printing and Packaging Machine Loans.
- **ZONTEN - S Kumar Multi Products** will showcase New Offset and Covering Presses.

● Zund India Private Limited will offer Digital Cutting Solutions.
